EVENT REGULATIONS	
Current Versions	<p>The following are the current Regulations for this Event:</p> <ul style="list-style-type: none"> • 2021 General and Sporting Regulations (Version 21.2) • 2021 Technical Summary Regulations – Porsche (Version 4.3) • 2021 Technical Summary Regulations – Ferrari (Version 2.0) <p>Available on www.competentmotorsport.com website (2021 Season/ Regulations)</p>
Rule Amendments	<p>The sections listed below are rule amendments and/or additions to the current 2021 General and Sporting Regulations, and Technical Regulations. We have identified which rules are changes to the existing referenced section(s) or a new section(s) to be added.</p> <p>No Rule Amendments for Circuit of the Americas event</p>
Sound Procedure Utilized for the Event	<p>COTA retains the right to impose noise restrictions on participating cars, motorcycles, and karts. While no specific noise restrictions are required to be enforced by CMS, CMS and Participants should be aware that COTA may, at any time up to the beginning of the Event and at its sole discretion, choose to impose a noise control system. Such system is likely to be similar to that operated by the Sports Car Club of America at its National race events. This would require that vehicles comply with a sound pressure level of 103db “A” frequency weighted (dB) measured on a fast response setting at 50ft (=/- 2 feet) from the edge of the track pavement. (See SCCA 2005 GCR’s Section 12). If COTA imposes noise restrictions, CMS will be required to inform the Participants and enforce the restrictions.</p>
Notifications	<p><u>Notice #1 – Liftgates:</u> For all events it is recommended that liftgates be in the closed position when not in use. When in use, place traffic cones around the parameter with a team member directing traffic as needed. All tractor trailers including the lift gate when open needs to be clear of fire lanes.</p> <p><u>Notice #2 – Technical Summary Regulations Section 9.4 is amended to read:</u> <i>“Wireless (radio, IR, mobile device, or any other method) transmission of telemetry data to or from the car is prohibited other than the video overlay information transmitted via V-box, or other live transmission video coaching devices.”</i></p>

ACCESS TO THE FACILITY.

Waiver Policy: All persons entering Circuit of the Americas (“COTA”) property (the “Facility”) are required to sign appropriate COTA or Sanctioning body Release and Waiver of Liability and Indemnity Agreement Forms. THERE ARE NO EXCEPTIONS.

Minors: All minors must be under the direct supervision of an adult at all times. No minor will be permitted to drive any motorized vehicle unsupervised on the property.

Pets: No Pets permitted on site.

VEHICLE USE OF THE TRACK AND PADDOCK AREAS.

Unauthorized Use of the Track(s): Only authorized vehicles will be allowed to go on the COTA courses. Drivers and passengers must be participants in a formal track activity authorized by COTA, have signed the appropriate waivers, have paid the appropriate use fees or have received specific authority from COTA management before accessing any road course. Unauthorized driving on the road courses shall be considered grounds for removal of the driver and vehicle from the Facility and the imposition of a ban of future access to the Facility. Access to the track for persons walking or riding bicycles may be permitted at certain times as determined by COTA management and then only when no other track activities are taking place.

Unauthorized Use of the Paddock: Garage renters and others with special access to the Facility may not park on the paddock at any time unless as a participant in an event where they have paid to park.

Use of Garages: All rules within section must be followed in relation to the garages, including no refueling of vehicles within the garage walls.

Signage: All signage must be approved in writing by COTA. Any signage must conform to aesthetic and other specifications required by COTA.

Track Direction: Driving counter track direction or clockwise is forbidden *at all times*. All road courses and pit lanes must be used only in a counter-clockwise direction.

Paddock Speed Limits: The Speed Limit for all vehicles in any paddock area is 15 miles per hour. Fines will be levied against anyone who is deemed to be driving or riding any vehicle in an unsafe manner or at a speed considered by COTA to be in excess of the speed limit.

Pit Lane: A speed limit is imposed for all vehicles in the pit lanes at all times. Unless otherwise approved by COTA the speed limit is 35 miles per hour. Fines shall be imposed for any transgression of this rule. Minors are NOT allowed on pit lane unless accompanied by a guardian. Long pants and closed toed shoes are required.

ATV's and Other Paddock Vehicles: The use of unlicensed vehicles such as mini-bikes, golf carts, scooters, four wheelers and dirt bikes shall be restricted to their use as service vehicles for competitors and shall be used only in the paddock area and on paved surfaces and only during event hours. Only licensed drivers/riders shall use such vehicles. Children are specifically prohibited from using such vehicles in the paddock or on any of the general or public access areas. COTA reserves the right to further restrict the use of these vehicles if, in the sole discretion of COTA such use is a danger or annoyance to other persons.

User Fees: COTA reserves the right to charge a use fee for such vehicles.

Driving/Riding While Impaired: No vehicles shall be driven or ridden on any COTA property by any person who is under the influence of alcohol or drugs. COTA reserves the right to remove any person who is violation of this rule from the Facility for the duration of the event and to forbid such person's attendance at future events.

Sound Limits: COTA retains the right to impose noise restrictions on participating cars, motorcycles and karts. While no specific noise restrictions are to be enforced without COTA's written notice, COTA may at any time and at its sole discretion, choose to impose a noise control system. Such limits are likely to be similar to those operated by the Sports Car Club of America at their National race events. These require that vehicles comply with a sound pressure level of 103db "A" frequency weighted (dB) measured on a fast response setting at 50ft (=/- 2 feet) from the edge of the track pavement. (See SCCA 2005 GCR's Section 12).

BEHAVIOR.

Use of Alcohol: All State, County and other regulatory liquor laws and regulations will apply. No alcoholic beverages may be consumed in the pit or paddock areas until 30 minutes after the end of the final event or track activity of each day.

Substance Abuse: No use of controlled substances is permitted at Circuit of the Americas. Anyone found using controlled substances illegally, or who appears to be under the influence of alcohol while using any of the COTA facilities will be summarily removed from the Facility.

Fireworks and Weapons: No fireworks, firearms or weapons of any kind are permitted anywhere on the Facility premises.

Noise in the Paddock: No loud music or boom-boxes are permitted. Paddock quiet times must be respected (10:00 pm to 6:00 am).

Engine Noise Time Limits: No race engines may be run before 7:00 am or after 9:00 pm.

Quiet Periods: COTA may require that a quiet period (no race engines) be maintained (for example during church services). Notice of quiet periods will be posted on the COTA website and on the paddock notice boards.

DAMAGE TO COTA PROPERTY.

Damage to COTA Property: Anyone who causes damage to COTA property, including equipment, buildings, vehicles, fences, safety systems, grass and landscaped areas will be held responsible for all costs relating to replacement or repair.

Damage to Paved Surfaces: No holes or any other damage may be caused to any paved surfaces. Tents and canopies must be held down by weights as no tent pegs of any kind are allowed. Flat blocks or wood squares should be used to absorb weight beneath any equipment that may cause damage to the surface, such as trailer legs, jack stands and kart stands.

No Painting or Markings on Paved Surfaces: under any circumstances is it permissible to paint, mark or otherwise deface any portion of any paved surface, and specifically any race surface, including the track, curbs, verges or pit lanes. This expressly includes markings on the surface intended to provide guide points to braking, turning or other driving situations.

No Signs, Decals or Notices: No decals, signs, painting, marking or advertising of any kind are permitted to be placed on the premises at any time without the prior written consent of COTA.

Signage Code: COTA will strictly enforce a Signage Code which will require that any signs posted (only with COTA approval) must meet quality and aesthetic standards (no handwritten signs). Only the COTA approved Official Signage Contractor will be allowed to make and erect sponsor or similar signs on site.

Signage and Decals: No COTA signage or advertising displays shall be defaced in any way, nor be removed or covered over.

Paddock Camping.

Camping: COTA may, at its sole discretion, permit overnight camping in the paddock and adjacent parking areas during events. COTA retains the rights to charge a fee for camping, which fee will include 24-hour security/access control.

Campfires: Open and ground fires are not permitted. Barbecues, hibachis and like heating and cooking equipment; may be used only in defined areas.

Quiet Time: Camping quiet time begins at 10:00 pm.

Electricity and RV Hook-Ups: No one may use any COTA electrical or waste hook-up facilities at any time without the consent of COTA and the use of such facilities will be subject to fees payable in advance of use.

SAFETY, PUBLIC HEALTH AND HAZARDOUS MATERIAL CONTROLS.

COTA will enforce strict compliance with rules relating to waste and hazardous materials, their containment and actions required to recover or repair surfaces affected by any spills.

Waste Products: COTA shall erect, at various locations in the paddocks, a number of collection facilities for used fluids and waste materials. Participants are required to make use of these for all waste material and fluid disposal, using the appropriate receptacles (as identified on each drum).

Hazardous Material Control: Spills of damage causing fluids such as oils, hydraulic and brake fluids, gasoline, anti-freeze, battery acid, etc., may occur and can cause significant damage to paved and grass surfaces and the environment as well as creating dangerous situations for track users and other participants. All spills must be treated immediately on occurrence. COTA management must immediately be advised of all spills.

Trash and Waste Disposal: All trash shall be deposited in trash containers. COTA reserves the right to set fees for the disposal of any items left at the track that must be disposed of by a disposal company, including items such as used tires, batteries, fuel barrels, etc. Do not place any petroleum products in trash containers.

Combustible Materials: All oxygen, acetylene, propane and other pressurized cylinders with combustible gas must be securely fastened to a carrier.

Fences: No climbing on any fence.

Fire Extinguishers: Each competitor must have at least one (1) portable dry chemical fire extinguisher with a rating of at least 12BC available and in good working condition in the competitor's pit and/or paddock area.

24-Hour Security: The facility will be open for participant access on a 24-hr basis, through defined gates and by event or COTA credential.
